

26. Out of School Club

Breakfast club starts at 7.30am. Children can select from a choice of breakfast up until 8.30am. Children are given the choice to play indoors or outdoors. Children in after school club are given snack after they arrive in our setting. There are always age appropriate resources ready and a quiet area for studying is required. We do require that children set an excellent role model for the other children in our care, being polite, saying please and thankyou etc. Equally we understand that after hard work at school all day children need time to unwind, so free choice activities are encouraged and there is always a quiet space in our setting for children to relax.

We never ask an older child to care or look after another child in the nursery. Children are aware they must not lift or carry younger children and staff know and adhere to never leave children unsupervised.

Our normally collection policy applies to the After School Club.

This policy was adopted on	Signed on behalf of the nursery	Date for review
